Visit a local bridal salon or seamstress and ask them to measure you; most offer this service free of charge. Measurements needed: *Bust, Natural Waist, Hips, Height, and Normal Dress Size.*

**Dress Size:** Bridesmaid dresses are not custom-made. We will compare your measurements to the company's size chart, taking in consideration the dress style. In most cases, the dress size indicated by the size chart will be larger than your normal dress size, but the final decision is yours -- we order the size you request. Please note that most companies charge more for sizes 18 and up. They also may charge more for extra length if you are 5'9" or taller. Alterations on all dresses are extra. Alterations are by appointment only, and we ask that you please be on time for your appointment. First fittings must be done at least 4 weeks before the wear date to avoid rush alteration fees, except when shipping does not allow. We require you to have your shoes and proper undergarments with you for your fittings. Items must be paid in full before alterations can be done.

This is to avoid any dye lot variations. We accept cash, personal check, money order, check card, or credit card. To pay by credit card or check card over the phone: Your deposit may be paid by VISA, MasterCard, Discover, or American Express by calling 229-386-1932.
